This proscription also applies to any officers, partners,

In addition, a criminal history **background check** must be furnished on each person listed above and in subparagraph 7. This may be done as follows:

- a. Utah residents:** If any person listed has been a **resident of Utah for at least two years**, he/she shall submit a fingerprint card to the DABC and consent to a fingerprint criminal background check by the Utah Bureau of Criminal Identification.
- b. Non Residents: Out of state residents or persons who have resided in Utah for less than two years** shall submit a fingerprint card to the DABC and consent to a fingerprint criminal background check by the **Federal Bureau of Investigation (F.B.I.)**.

An informed consent and release of liability form is included with this application.

Fingerprint cards are available at law enforcement agencies. You may download the fingerprint card at this web address: <http://www.fbi.gov/hq/cjisd/pdf/fpcardb.pdf>

Submit the form(s) to the DABC with a processing fee of:

- \$15.00 per card for BCI background checks, or
- \$34.25 per card for FBI background checks.

In the case of an undue delay in the processing of an F.B.I. criminal background check, here are the rules and procedures for obtaining a third-party national background check: An application that requires F.B.I. criminal history background report(s) may be included on a commission meeting agenda, and may be considered by the commission for issuance of a license, permit, or package agency if:

- 1). the applicant has completed all requirements to apply for the license, permit, or package agency other than the department receiving the F.B.I. criminal history background report(s);
- 2). the applicant attests in writing that he or she is not aware of any criminal conviction of any person identified in the application that would disqualify the applicant from applying for and holding the license, permit, or package agency;
- 3). the applicant has submitted to the DABC the necessary fingerprint card(s) required for the application and consented to the fingerprint criminal background check(s) by the F.B.I.
- 4). the applicant at the time of application supplies the department with a current criminal history background report conducted by a third-party background check reporting service on any person for which an F.B.I. background check is required; and
- 5). the applicant stipulates in writing that if an F.B.I. report shows a criminal conviction that would disqualify the applicant from holding the license, permit, or package agency, the applicant shall immediately surrender the license, permit, or package agency to the department.

A suggested attestation/stipulation letter that satisfies the above requirements is enclosed.

A third-party national criminal background check can be obtained by;

- searching the yellow pages under Background Screening
- searching the internet under Background Screening or Background Checks

Because the DABC is State Agency, we cannot recommend any one background screening service over another. It is your responsibility however, to obtain the most complete, nationwide, criminal history available for the application process.

LOCAL INDUSTRY REPRESENTATIVES License Summary

*Note: This is general information only and should not be considered conclusive.
For further detail, please consult Title 32A of the Utah Code and the Rules of the Commission.*

A local industry representative means an individual resident of Utah, Utah partnership, Utah corporation, and a Utah limited liability company compensated by any means for representing the distilled spirits, wine, heavy beer, and on or after October 1, 2008, flavored malt beverages of a manufacturer, supplier, or importer. Local industry representatives must be licensed by the state. They may represent more than one manufacturer, supplier, or importer at a time. Licenses run from January 1 to December 31. Individual employees of a local industry representative are not required to be separately licensed.

Representatives may assist the department in ordering, shipping, and delivering merchandise. They may provide new product notification, listing and de-listing information, price quotations, product sales analysis, shelf management, and educational seminars, and may, for the purpose of acquiring new listings, solicit orders from the department and submit price lists and samples of their products to the department. Representatives may not sell or ship liquor, wine, or heavy beer to anyone within the state other than the department and military installations. Representatives may call on licensed retailers, permittees, and package agents, and provide them with informational material concerning the products they carry. Representatives must maintain on file with the department, a list of all manufacturers, suppliers, and importers they represent, and notify the department of any changes within 14 days of acquiring or losing an account.

A local industry representative license may *not* be granted to:

- a holder of any retail license issued by the Alcoholic Beverage Control Commission or any employee or agent of a retail licensee; or
- any individual, partnership, corporation, or limited liability company who holds any interest in any retail license issued by the Alcoholic Beverage Control Commission; or
- a minor.

An employee of a local industry representative may *not* be:

- the holder of any retail license issued by the Alcoholic Beverage Control Commission; or
- an employee of any retail licensee.

Liquor, wine, heavy beer, and flavored malt beverage product samples are restricted:

- Samples may only be shipped to the department for
 - tasting and analysis by the department under certain conditions; or
 - tasting and analysis by local industry representatives at the department only under certain conditions.

Trade Practices:

- *Because the interplay between state and federal law is so technical and detailed, we are providing very general information below.*

In the Alcoholic Beverage Control Act, Section 32A-12 Part 6, U.C.A., Utah's trade practice and tied house laws are made consistent with federal laws (27 U.S.C. 201 to 219A; 27 C.F.R. Subchapter A, Parts 6, 8, 10 & 11) except with respect to furnishing samples of liquor products which are regulated by Utah law. Liquor samples may only be shipped to the department for tasting and analysis by the department or for tasting and analysis by local industry representatives at the department under certain conditions. Beer samples may be given to a retailer, however not more than three gallons of any brand may be given and only if the retailer has not purchased the brand within the last 12 months.

Generally, alcoholic beverage industry members (such as manufacturers, manufacturer representatives, wholesalers, or importers), are prohibited from engaging in certain practices with retailers that unlawfully induce the retailer to purchase their products to the exclusion in whole or in part of other competitor's products. For example, manufacturers may not have either a direct or indirect ownership in any retail license (unless it is complete ownership); acquire any interest in the real or personal property of a retailer (unless it is complete ownership); furnish a retailer with equipment, fixtures, signs, supplies, money, services, or other "things of value" unless specifically authorized by the federal or state "tied house" laws; extend credit beyond a specified period (usually 30 days), act as guarantor of a retailer's debt; lend money; or require any quota or condition the sale of one product upon the purchase of another.

Industry members *may*:

- contribute to charitable, civic, religious, fraternal, educational, or community activities. These contributions may not be given to influence a retailer in the selection of alcoholic beverage products which might be sold at these activities and events.
- lease or furnish certain equipment for a reasonable rental or service fee to a group conducting a temporary event. Equipment includes a picnic pump, cold plate, tub, keg box, refrigerated trailer or van, or refrigerated draft system.

Industry members *may not*:

- give away any of their alcoholic products. This does not preclude an industry member from serving its alcoholic products to others at private social functions hosted by the industry member in the member's home or elsewhere so long as the product is not served as part of a promotion of its products, or as a subterfuge to provide samples to others for product testing, analysis, or sampling purposes;
- engage in any advertisement or promotional scheme that requires the purchase or sale of an alcoholic beverage, or consumption of an alcoholic beverage in order to participate in any promotion, program, or other activity; or
- sponsor or underwrite any athletic, theatrical, scholastic, artistic, or scientific event that overtly promotes consumption, offers alcoholic products to the general public without charge, or takes place on the premises of a school, college, university, or other educational institution.

TITLE 32A - ALCOHOLIC BEVERAGE CONTROL ACT

(Updated through May 2008)

Chapter 12 - Criminal Offenses

PART 1

GENERAL PROVISIONS

32A-12-101. UTAH CRIMINAL CODE APPLICABLE.

Title 76, Chapters 1, 2, 3, and 4, the Utah Criminal Code, relating to principles of construction, jurisdiction, venue, limitations of actions, multiple prosecutions, double jeopardy, burdens of proof, definitions, principles of criminal responsibility, punishments, and inchoate offenses apply to any criminal offense defined in this title, except as otherwise provided.

32A-12-102. SPECIAL BURDENS OF PROOF -- INFERENCES AND PRESUMPTIONS.

(1) In any prosecution of an offense defined in this title or in any proceeding brought to enforce this title:

(a) it is not necessary that the state or commission establish the precise description or quantity of the alcoholic beverages or products or the precise consideration, if any, given or received for the alcoholic beverages or products;

(b) there is an inference, absent proof to the contrary, that the alcoholic beverage or product in question is an alcoholic beverage or product if the witness describes it:

(i) as an alcoholic beverage or product;

(ii) by a name that is commonly applied to an alcoholic beverage or product; or

(iii) as intoxicating;

(c) if it is alleged that an association or corporation has violated this title, the fact of the incorporation of the association or corporation is presumed absent proof to the contrary;

(d) a certificate or report signed or purporting to be signed by any state chemist, assistant state chemist, or state crime laboratory chemist, as to the analysis or ingredients of any alcoholic beverage or product is:

(i) prima facie evidence:

(A) of the facts stated in that certificate or report; and

(B) of the authority of the person giving or making the report; and

(ii) admissible in evidence without any proof of appointment or signature absent proof to the contrary; and

(e) a copy of entries made in the records of the United States internal revenue collector, certified by the collector or a qualified notary public, showing the payment of the United States internal revenue special tax for the manufacture or sale of alcoholic beverages or products is prima facie evidence of the manufacture or sale by the party named in the entry within the period set forth in the record.

(2)(a) In proving the unlawful sale, disposal, gift, or purchase, gratuitous or otherwise, or consumption of alcoholic beverages or products, it is not necessary that the state or commission establish that any money or other consideration actually passed or that an alcoholic beverage or product was actually consumed if the court or trier of fact is satisfied that:

(i) a transaction in the nature of a sale, disposal, gift, or purchase actually occurred; or

(ii) any consumption of alcoholic beverages or products was about to occur.

(b) Proof of consumption or intended consumption of an alcoholic beverage or product on premises on which consumption is prohibited, by some person not authorized to consume alcoholic beverages or products on those premises, is evidence that an alcoholic beverage or product was sold or given to or purchased by the person consuming, about to consume, or carrying away the alcoholic beverage or product as against the occupant of the premises.

32A-12-103. CRIMINAL RESPONSIBILITY FOR CONDUCT OF ANOTHER.

In addition to Title 76, Chapter 2, Part 2, Criminal Responsibility for the Conduct of Another, the following principles apply to violations of this title:

(1) If a violation of this title is committed by any person in the employ of the occupant of any premises in which the offense is committed, or by any person who is required by the occupant to be or

remain in or upon the premises, or to act in any way for the occupant, the occupant is prima facie considered a party to the offense committed, and is liable as a principal offender, notwithstanding the fact that the offense was committed by a person who is not proved to have committed it under or by the direction of the occupant. Nothing in this section relieves the person actually committing the offense from liability.

(2) If a violation of this title is committed by a corporation, association, partnership, or limited liability company, the officer or agent of the corporation or association, partner, manager, or member of the limited liability company in charge of the premises in which the offense is committed is prima facie considered a party to the offense committed, and is personally liable to the penalties prescribed for the offense as a principal offender. Nothing in this section relieves the corporation, association, partnership, or limited liability company, or the person who actually committed the offense from liability.

32A-12-104. VIOLATION OF TITLE A MISDEMEANOR.

Any person who violates this title or the commission rules adopted under this title is guilty of a class B misdemeanor, unless otherwise provided in this title.

32A-12-105. ADDITIONAL CRIMINAL PENALTIES.

In addition to the penalties provided in Title 76, Chapter 3, Penalties:

(1) Upon any defendant's conviction of any offense defined in this title, the court may also order the defendant to make restitution or pay costs in accordance with Title 77, Chapter 32A, Defense Costs.

(2)(a) Upon a corporation's, association's, partnership's, or limited liability company's conviction of any offense defined in this title, and a failure of the corporation, partnership, association, or limited liability company to pay a fine imposed upon it, the powers, rights, and privileges of the corporation, association, partnership, or limited liability company, if it is a domestic corporation, association, partnership, or limited liability company may be suspended or revoked, and if a foreign corporation, association, partnership, or limited liability company, it forfeits its right to do intrastate business in this state.

(b) The department shall transmit the name of each corporation, association, partnership, or limited liability company to the Division of Corporations and Commercial Code, which shall immediately record the action in a manner that makes the information available to the public. The suspension, revocation, or forfeiture is effective from the time the record is made, and the certificate of the Division of Corporations and Commercial Code is prima facie evidence of the suspension, revocation, or forfeiture. Nothing contained in this section may be construed as affecting, limiting, or restricting any proceedings that otherwise may be taken for the imposition of any other punishment or the modes of enforcement or recovery of fines or penalties.

(3) Upon the conviction of any business entity required to have a business license to operate its business activities, or upon the conviction of any of its agents, employees, or officers of any offense defined in this title, with the knowledge, consent, or acquiescence of the business entity, the department shall forward a copy of the judgment of conviction to the appropriate governmental entity responsible for issuing and revoking the business licenses. That governmental entity may institute appropriate proceedings to revoke the business' license, and upon revocation, a license may not be granted to the business entity for at least one year from the date of revocation. Upon the conviction for a second or other offense, a license may not be granted for at least two years from the date of revocation.

(4) Upon conviction of any physician, pharmacist, druggist, dentist, or veterinarian of any offense defined in this title, the department shall forward a certified copy of the judgment of conviction to the Division of Occupational and Professional Licensing. That department may institute appropriate proceedings to revoke the defendant's license, and upon revocation, a license may not be granted to the defendant by the department for at least one year from the date of revocation. Upon the defendant's conviction for a second or other offense, a license may not be granted for at least two years from the date of revocation.
